Mr. Howard Eaton Jr.
Program Director
THE YALE BROADCASTING COMPANY
New Haven, Conn.

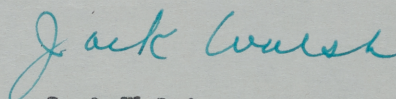

Dear Howard,

Thanks for your letter of the 1st. NBC's contest idea revolts me also but I imagine we should participate.

We have two men on the staff here that I feel would well represent W P R U on such a show. Arthur S. Langlie '52 has been with us for some time now and has shown an excellent grasp of radio technique. Mr. Langlie does commercial radio work in the summer and is well qualified to show the caliber of the IVY Network. Don Touton '53 has been with us only a short time but has shown great ability and interest and has rapidly been promoted in the program department.

Both these men are in their teens, so they thereby would fulfill NBC's age requirement.

Sincerely yours,

Jack Walsh
Program Director
